# 2024 Merit Trophy – Round 2 – Worthing GC RESULTS

2

## Round 2 of this year's Merit Trophy took us to the 'home of golf'

So, lets be honest, the weather was  
dire!!

Wet & windy conditions made it a  
real test of stamina and ability.  
27 brave souls went out, and 27  
made it back.

At the bottom, Hoots once again  
avoided the clown's outfit, with  
Dionne juggling his way to 17pts  
and stealing that prize.

At the top, there was only 1pt  
seperating Wootters in 2<sup>nd</sup> and KT in  
5<sup>th</sup>

With an incredible 38pts and  
shooting a gross 77, **Target made it  
back-to-back wins and picked up  
the green jacket again**, along with  
The Sue Kenward Memorial Trophy.  
Impressive golf.  
Well done Jez.

## TEAM COMPETITION & Other prizes

3

The afternoon competition was streamlined into a 3-ball event, kept nice and simple after feedback from East Brighton.

Pushing team Target into second place, the winning team of **Wooters, Renno and Wezzo** collected the vino. Well done lads.

Nearest the pin prizes were won by **Dread** on the 9<sup>th</sup>, and after some appropriate fines were applied after Target forgot to leave the nearest the pin marker, **Micky J** collected on the 14<sup>th</sup>.

Vice-Capt photo bomb. Small picture was all he deserved. 😊

As you will all be aware, Chaos has finally managed to get his place secured in the London Marathon on Sunday 21<sup>st</sup> April.

I'm sure we will all be tuning in to see if we can catch a glimpse of him smashing through that 'wall', and completing his run in support of The British Heart Foundation.

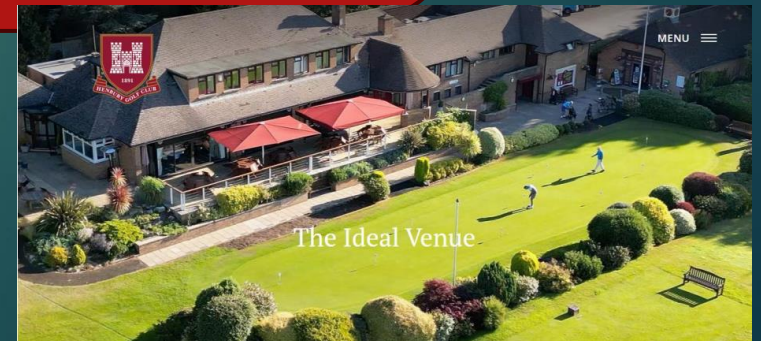

Thanks to everyone's great efforts at Worthing, all fines and bookie proceeds along with an auction for a 4-ball at Henbury GC near Bristol, **we managed to raise £355 (£443 with gift-aid added) towards this great cause.**

I know many of you have already donated personally, but if you still want to help Wayne hit his target figure of £2,500, please hit the red button below. Any amount big or small will help.

Cheers

## A message from our secretary – NEXT GOLF DAY

Gents,

Leg three of the Pritch odyssey takes us to leafy **Puttenham on Thursday April 25<sup>th</sup>**.

One of the oldest clubs in Surrey and located the other side of Guildford, just over an hour's drive.

A quirky course that rewards accuracy and course management.

We need as many members to come along as possible.

If Target wins three on the spin, he gets to keep the Green Jacket!

**We meet in the sunshine at 10am with a first tee at 11am. A two-course dinner will be served at 5pm.**

**Cost for the day is capped at £72.00.**

That evening the oil sponsored rule breakers (115 charges and still no sign of justice) are due to play at the Amex.

This game might be moved to the 24<sup>th</sup> depending on City's Champions League progress.

For those Brighton season ticket holders who wish to do both we can facilitate an early team time/no dinner option.

Let's hope the game gets shifted to the Wednesday.

**So please confirm you'll be coming and send the £72 to Gibby.**

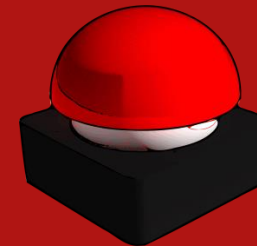

If you are part of the Amex posse, please indicate in your reply.

If the game is on the Thursday, we will credit £16.50 to all those who leave before dinner.

Hope that all makes sense. If I don't hear from you, I'll assume you are not coming.

I'll send out a list of runners in a weeks' time so you can start arranging lifts.
